All students will have a 2-days a week class timetable. Outside of classes, you will have homework and self-directed study to complete.

You will be required to attend classes on campus for two days each week. Your timetable will be accessible through the Virtual Learning Environment (VLE).

Our university places great importance on providing a first class learning experience for our students. To achieve this, we strongly believe in the value of face-to-face teaching and fostering interactions within a classroom setting.

Timetable Procedure.

Morning Lecture (AM)
10:00 – 13:00

Lunch Break
13:00 PM - 14:00 PM

Attendance

Online learning

Once you have completed your online registration task you will be able to view your on-campus timetable and will be enrolled in the VLE's attendance system. You are expected to attend all classes on your timetable on-campus, this will enable you to gain a full learning experience, as you will be able to develop ideas and skills with other students and be physically aware in lectures and seminars.

Registering your attendance for on-campus learning is straight-forward. On the VLE, click on your current module's tile, select 'in-class attendance', then you just need to click on the link to confirm your attendance.

Time to log your attendance:

AM Sessions: between 09:55-10:30

PM Sessions: between 13:55-14:30

As a student, you are responsible for making sure your attendance is up-to-date and accurate. If you believe you are having a technological issue with your attendance, you can enquire about your attendance record by making an attendance enquiry through VLE. Simply login to the VLE, select 'My Forms' and then select 'Attendance Enquiry'.

Attendance enquiry details must include the date, session (AM, PM) and any additional information you would like the attendance team to investigate. Once you have submitted your attendance enquiry, you will receive a response within five to ten working days.
